In celebration of  the useful plants.

Essential Equipment for Gardeners

All Terrain's Herbal Armor line fights mosquitoes, flies and other insects with a blend of six essential oils.

All Terrain offers a line of natural remedies for gardening enthusiasts, including its Herbal Armor DEET-Free insect repellent based on a synergistic blend of six essential oils recognized by the Environmental Protection Agency as insect repellents. Available in a pump spray or lotion, Herbal Armor Repellents fight off mosquitoes, ticks, gnats, flies and other biting insects. 🌿
